WEBCAST SHOWCASING SYNTHESIS SOFTWARE SOLUTIONS

Shareholders are advised that Capital Appreciation will be hosting a webcast for investors today, 3 March 2021.

The purpose is to showcase the innovative technology solutions of Synthesis Software Technologies, the Software and Services segment of Capital Appreciation. The presentation will cover topics such as Synthesis' business model, Cloud Solutions, Intelligent data and Machine Learning, Digital Technology Solutions, the Synthesis Academy, and innovations within the Synthesis Labs.

To follow the live webcast online, please visit <https://capitalappreciation.co.za/>. The event will start at 15:00-17:00 SA time. A replay of the event will be available on the Capital Appreciation website shortly after the webcast ends.

The slides used in the webcast are available on the Capital Appreciation website <https://capitalappreciation.co.za/investor/reporting>
